WHO WE ARE

Midmark Corporation brings efficient patient care to millions of people each day in the human and animal healthcare industries around the world. A leading provider of medical, dental and veterinary healthcare equipment solutions, Midmark is committed to providing innovative products and services for the healthcare professional, integrating value-added technology into everything it does. With more than 1,600 teammates worldwide, Midmark is dedicated to making a positive difference in the practice of healthcare. The company offers a complete line of innovative equipment solutions for operatories, instrument processing and central utilities.

WHAT WE DO

Midmark is redefining the future of the clinical space from the examination room to the procedure room. Its line of Midmark and Ritter products have become the industry standards in medical practices of all sizes, helping improve the patient experience while improving safety, ergonomics, productivity and profitability for the practice. The Midmark Artizan™ Dental Furniture line and Integra™ Dental Casework offer the most comprehensive cabinetry solutions available from a dental manufacturer. And, its line of ergonomic dental chairs with patented integrated armrests is recognized for comfort and style. Midmark also offers innovative veterinary exam, treatment and dental equipment solutions.
